

**All incoming students
are required to use
Med+Proctor to
submit medical/
immunization records.**

Submitting this information is easy!

Step 1: Register- Visit medproctor.com and click "register" to start a new account. Type in your school email address to get started and follow the directions to register a new account.

Step 2: Download- Fill out any required personal or medical information. You will be given the option to download the immunization form provided by Med +Proctor OR you can upload your own immunization form. It is not mandatory to download the Med +Proctor form, please feel free to upload any immunization form.

Step 3: Upload- Log back in to your Med+Proctor account and upload a copy of your forms. You will receive an email confirmation once your records have been reviewed.
